

**Amendments to the Drawings**

Proposed replacement drawings are submitted herewith for **Fig. 4B**, **Fig. 5D**, and **Fig. 8B**.

In **Fig. 4B**, the values in the "nodes" (i.e., the letters within ellipses) were incorrect, and did not align with **Fig. 4A**. Accordingly, the node values "B", "C", and "D" have been rearranged.

**Fig. 5D** is corrected in the final entry to use "4" instead of "1" as the ordinal of the parent node. (This correction aligns **Fig. 5D** with **Fig. 4A**, which shows that the node at reference number 422 in **Fig. 4A** has the node at reference number 420 as its parent.)

In **Fig. 8B**, Block 880 is corrected to refer to the element value array, rather than the attribute value array. The figure now aligns with p. 42, lines 4 - 5 of the specification.
